FOURTEEN THOUSAND WILL BE AT THE GAME

San Francisco Fans To Make Opening Day of Season a Big One

San Francisco, April 3.—Fourteen thousand fans will probably see the Seals and the Portland Beavers clash at old Recreation park tomorrow in the game of the 1916 Pacific league season here. The mortality among grand mothers is said to have been horrible as a result of many fans having to leave their desks and join the pilgrimage to the diamond.

Returning from their training period at San Jose, the Seals dug their spikes into the home town soil today, getting used to their own grounds. The Portland Beavers were also given a crack at the new turf. McCredie exuded confidence and it was evident he considered the San Francisco aggregation already chained to the wheels of his chariot.

A large number of fans gathered at Recreation park today for a glimpse of the Seals, but they were disappointed. The players worked behind barred gates so all the hungry enthusiasts could glean was the occasional crack of ash against horseshoe, and the small boys scrambled at of yore whenever a foul came over the fence.

The probable lineups are as follows: Portland: Willie, c. f.; Vaughn, 2b;

Nixon, r. f.; Southworth, l. f.; Guisto, 1b; Stump, 3b; Hayward, c.; Ward, s. s.; Noyes or Harstad, p.

San Francisco: Fitzgerald, r. f.; Schaller, l. f.; Bodie, c. f.; Downs, 2b; Gay, 3b; Aubrey, 1b; Bohne, s. s.; Sepulveda, p.; Baum or Steen, p.

The Lid Off at Salt Lake.

Salt Lake City, Utah, April 3.—The fans of Salt Lake are all set today for the big doings tomorrow when the lid will be blown off with a bang and the baseball season of 1916 will be opened.

Never in Salt Lake's history has such intense enthusiasm for the national pastime been shown as was evident today and a crowd of enormous proportions is promised when the Bees and Oaklanders meet in the initial contest.

Cliff Blankenship took his Bees out to the park today for a two hour try-out today and later Manager "Rowdy" Elliott was given an opportunity to put his proteges through their paces in preparation for the opener.

The weather man promised that a fair sky would smile upon the contestants. Recent rains, however, have made the playing field somewhat soft and it is not expected that the teams can get up their greatest speed for several days.

Both teams are on edge for the first.

Hockey Players to Enlist.

New York, April 3.—Most of the Canadians, world's champion hockey players, and some of the Portland Rosebuds, who originally came from Canada, will enlist in the Sportsmen's battalion to fight in the European war, Manager Kennedy of the Canadians, announced today. The two teams will battle here tomorrow and Wednesday.

Kinsella as Scout.

Cincinnati, Ohio, April 3.—Dick Kinsella, who contracted to act as scout for the New York Yankees, is en route from this city to the east with them today.

They Know Each Other.

Houston, Texas, April 3.—Ty Cobb and Bennie Kauff had a good line on each other 1916 season abilities today as a result of having played on opposite sides in a practice game between the New York Nationals and the Detroit Americans. Each man made a two-bagger and each was at bat four times. Cobb got across the plate for two runs. Detroit won, 9 to 2.

\$10,000 Stakes Hung Up.

Boise, Idaho, April 3.—With stakes amounting to \$10,000 hung up, the Inter-mountain fair and race circuit is perfected today. Dates were arranged for races at Boise, Montpelier, Blackfoot and Rexburg, Idaho; Salt Lake City, La Grande, Baker and Ontario, Oregon.

Leonard Offered Match.

New York, April 3.—Benny Leonard was offered \$8,000 today for a 20-round bout with Charlie White in Denver, May 15. The winner is tentatively promised a flush fight with Freddie Welsh, lightweight champion. The latter battle will probably be staged in Denver on July 4.

To Challenge Welsh.

Chicago, April 3.—Charlie White and

Ever Hammer, both planned today to challenge Champion Freddie Welsh upon his arrival here to begin training for Friday's fight with Ritzke Mitchell in Milwaukee.

Mike Doolan Let Out.

New Orleans, La., April 3.—Mike Doolan, veteran shortstop of the Chicago Cubs, training here, has been released to the Yankinns, it was divulged today. Mulligan has been promoted to the first team.

LAUNCH WASHED ASHORE

Santa Monica, Cal., April 3.—The hull of a thirty foot schooner launch washed ashore near here today affirming the belief that Captain Lynch and two of his crew who left San Francisco nearly three weeks ago in the schooner Ruby have been drowned. There was no name on the wreckage washed up here.

The revenue cutter McCulloch put in to port at San Pedro early today after giving up a four day search for the Ruby and her crew. An effort is being made to establish the identity of the wreck washed up here.

PLUG CHEWING A WHOLESOME HABIT

In No Other Way Can You Get All the Richness and Flavor of the Leaf

"SPEAR HEAD" BEST CUT

Many prominent physicians declare chewing to be the most wholesome use of enjoying tobacco.

"I began chewing some years ago," said one, "and I soon found that it is the only way to get the benefit of the rich juices stored up by nature in the tobacco leaf. I refer, of course, to the plug form of tobacco, which is the most natural and the cleanest form."

"Chewing good tobacco like Spear Head makes the salivary glands more active, which in turn has a beneficial effect on the whole system. Add to this the sweet, mellow, delicious flavor of a chew of Spear Head, and you have the highest possible degree of tobacco satisfaction."

"I mention Spear Head because have found that this brand is exceptionally pure, being made in a factory that's run strictly according to pure-food rules."

Spear Head is made of sun-ripened Burley, which is acknowledged to be the richest, mildest, finest flavored tobacco leaf in the world. And it is produced by the latest processes, which develop the quality and luscious flavor of the choice Burley to the supreme degree.

A chew of Spear Head has a wholesome effect that is not found in any other chewing tobacco. In 10c cuts, wrapped in wax paper.

FOUR WORLD RECORDS SMASHED TO PIECES AT CORVALLIS MEET

O. A. C. Wins Big Western Championship Event—Oregon Is Second

Oregon Agricultural College, Corvallis, Ore., April 3.—Four world's indoor records were smashed to smithereens Saturday, three of them by the versatile Fred Kelly of the Los Angeles Athletic club, and the fourth by Harry Cobb of Oregon Agricultural college, in the big far western championship indoor meet held in the local armory. Oregon Aggies captured premier honors, the Orange and Black track stars gathering a total of 40 points. Bill Hayward's University of Oregon athletes took second place with 30 points, just nosing out the Los Angeles Athletic club, which finished third with a total of 20 points.

Multnomah club finished fourth with a score of 20.

Other teams finished in the following order: University of Southern California, 13; University of Idaho, 8; Willamette university, 6; Columbia university, Portland, 3; Olympic club, San Francisco, 3; and unattached, 5 points.

Kelly Pairs Flew.

Kelly clipped one-fifth of a second off of the world's indoor record in the 220, negotiating the distance in 27 seconds flat. The handsome Californian fairly flew around the dirt oval. Kaddery, previous title holder of the record in this event, finished second.

Half Mile Race Feature.

The feature race was the half mile, in which Coleman of O. A. C. nosed out Beebe of U. S. C. Beebe led all the way until the last 50 yards, when the speedy Aggie athlete passed his veteran rival. His time of 2 minutes and 4.5 seconds equals the coast indoor meet two years ago.

The dope was again upset in the 440 yard dash where Kaddery of O. A. C. and Sloman of the Olympic club, national champion, were matched against each other among a field of six other aspirants. Sloman was slated to win this race, but the Aggie greyhound with a 15 foot lead from almost the very start, proved too much for the Californian wonder and breasted the tape with 30 feet to spare. His time of 51 seconds flat was not as fast as the time he established in the northwest conference meet last year of 50-1-5.

Summary of events.

50 yards—Kelly, L. A. C.; Ford, Willamette; Small, Willamette; Morrison, Idaho, 8-1-5 seconds.

Old Quarrel at Turner Results In Miniature War

(Continued from Page One.)

clined to arrest Jeans, who is a member of the city council. Yesterday Sheriff Esch went to Turner to find the townspeople collected in groups discussing the affair but none of the groups was closer than a block to the Jeans home. Sheriff Esch went to Jeans' house followed at a safe distance by a curious mob and knocked at the door. Jeans himself opened the door and told the sheriff that he was expecting him and that he would go without any trouble.

Jeans Out on Bond.

An attempt was made to secure bonds for Jeans in Turner but Justice of the Peace Earl had some doubts as to the legality of a bond issued on Sunday. Jeans then came to Salem with the sheriff and was lodged in jail until Mr. Earl got back from church when arrangements were made for his bond which was signed by a number of Turner business men. Jeans was released yesterday evening and returned to Turner.

The preliminary hearing will be arranged in Turner at a later date and it is expected that Jeans will waive examination and be bound over to the grand jury as a trial in the justice court in Turner on this charge would make it a difficult matter to secure a jury who had not heard of or discussed the case.

Nicely, one of the men slashed, is a married man about 45 years of age and runs a garage in Turner. James Kelly the other man out, is 55 years old and runs a fish market. Nicely was out in the shoulder where the blade of the knife was turned aside by his shoulder blade. Hunsaker has four deep knife wounds in his abdomen.

R. O. Thomas, mayor, denies the report in Portland papers that he was in hiding after the row occurred. He was not present during the fight and when he heard of it went out in the crowd and advised all against further trouble. On Sunday he went to Portland, according to previous arrangement, to visit his wife who is ill there. He was at the railroad station when Sheriff Esch came into town in an auto, and his whereabouts might easily have been ascertained at any time.

GRAND BILL IS VARIED

A bitter protest of woman against the price that war exacts from her, is the sketch, "The War Child," presented by Ann Hamilton and her company at the Grand yesterday.

The incident developed is not new; the plot is simply a broad sketching of the bitterest features of war in its effect upon woman. The power of the sketch depends principally on the intensely emotional acting of Miss Hamilton and the action snaps off at the very highest point, giving an effect that leaves the audience breathless.

Grant Gardner in black-face, has a line of patter all his own and some dexterous musical novelties, just by way of demonstrating his versatility.

Scharf and Ramser offer a singing act of more than ordinary excellence, featuring rather the operatic than the ballad songs and ragtime which are offered in most of the singing acts nowadays.

The bill opens with a novelty mystery by Valdo and company. The "Casting Lamps" close the bill with a good bit of work on the aerial bars.
